

Get on board with Air Chats

For 30 years we've been bringing regional New Zealand closer together, and now we're bringing your business and our passengers even closer. 'Air Chats' is our new inflight publication, it's all about the places we go, and it's the perfect medium for you to reach 140,000 visitors, leisure and business travellers alike.

Air Chats will be available free at all our destinations - Whakatāne, Whanganui, Kāpiti Coast and the Chatham Islands – as well as at our Auckland check-in. Most importantly, it will be in the seat pockets of 140 flights each week, as well as our scenic DC3 and charter flights, reaching a captive audience of readers with above-average disposable incomes and consumer engagement.

Air Chats is a premium publication with limited and selected advertising slots available, and we're welcoming you to come onboard.

- ✓ Premium inflight magazine with unique, quality content for great shelf life.
- ✓ Quarterly publication reaching a captive, desirable audience of visitors and locals.
- ✓ Free for passengers and airport visitors to take away for greater market penetration.
